

“**C**eux qui aiment les belles rampes et les majestueux portails des anciennes demeures se réjouiront de voir que le noble métier de "ferronnier d'art" existe toujours et que cet art, grâce aux progrès techniques a su se renouveler dans le respect des traditions. Une des exigences d'une belle œuvre de "ferronnerie d'art" consiste en

l'harmonie parfaite des lignes et des formes, dans ses proportions rigoureuses.

Par les créations présentées dans cet album la "GRANDE FORGE" marque une étape nouvelle dans l'art de la Ferronnerie et confirme sa vocation de Haut Artisanat d'Art.

“**T**hose who like beautiful staircase railings and magnificent gates will be delighted to see that the noble profession of "Artist blacksmith" still exists and that this art, thanks to technical progress, has been able to renew itself with regards to the traditions.

One of the demands for a beautiful work of artistic forgings consists of a perfect harmony of the lines and forms, in their rigorous proportions.

By the original works presented in this Album, "GRANDE FORGE" marks a new stage in the art of "Artistic Forgings" and confirms its vocation for top level craftsmanship.

“**Q**uienes aprecian y gozan con las bellas barandillas y las majestuosas verjas de las antiguas residencias se alegrarán de observar que la noble profesión de "cerrajero artístico" existe todavía y que este arte, gracias a los avances técnicos, se ha renovado siguiendo la tradición.

Una de las exigencias de una hermosa obra de cerrajería consiste en una armonía perfecta de líneas y formas, dentro de sus rigurosas proporciones.

A través de las creaciones presentadas dentro de este catalogo, "GRANDE FORGE" marca una nueva etapa en el arte de la cerrajería y confirma su vocación de Alta Artesanía.
